Camp Kahdalea for Girls and Camp Chosatonga for Boys

THE KAHDALEA & CHOSATONGA SPIRIT

You'll make friendships that will last a lifetime. This is an awesome place to work. Not like camps with one or two week sessions, campers stay 3 or 5 weeks at a time, so you have time to really get to know them and teach more! We provide training and many activities in rock climbing, riding, arts, marksmanship, whitewater paddling, caving, backpacking and more. Experience helps, though. At camp, we strive to provide an ideal setting for young men & women to grow to their fullest potential in the important areas of spiritual, physical, mental and social development. A strong emphasis is placed on God and Christian character-building in our interdenominational worship programs. Inspirational campfires, Sunday morning church services and other special times comprise the religious aspect of camp. Our greatest ministry is having a staff with a true and deep commitment to God, a desire to please Him and to grow in our faith. Faith is "caught" when campers see a committed staff walking out their faith in day to day life. We invite our staff to model their faith with joy and enthusiasm.

Service to others, unselfishness, courage, loyalty, integrity, respect, friendliness, honesty, and fine sportsmanship — these are values we hold high. These are goals toward which every counselor should strive.

Camp is designed to provide a growth experience in a wilderness setting. This growth involves not only skills, physical growth, mental growth and intellectual achievements, but growth also in general maturity. Emphasis is placed on the development of good attitudes, self confidence, self reliance, resourcefulness, social graces, a sense of values, moral convictions, religious faith, and a Christian way of life.

DATES

The standard contract is for nine weeks of camp. All first year counselors should plan to be at camp for pre-camp clinics (These are like camp for staff). We offer various clinics in Canoeing, Wilderness, Rock Climbing, Horseback Riding, Arts, etc. We also recommend and help arrange other outside clinics and certifications before our pre-camp clinics. Dates on-line.

OPPORTUNITIES & TRAINING

Opportunities in these activities are filled as applications are received:

Rock climbing	Backpacking	Horseback Riding	Tennis	Canoeing	Kayaking
Whitewater Canoeing	Dance	Drama	Mountain Biking	Swimming	Karate
	Guitar	Arts & Crafts	Riflery	Archery	Nature
	Fishing	Gymnastics	Team sports	Aerobics	Cooks

& more.

Experience in one of these fields is very helpful and is preferred. We, however, offer training in many of these activities. Certifications in swimming, first-aid, riflery, canoeing, etc are desired. We also need food service help, office help, drivers, etc.

Counselors must have completed one year of college, unless they've been a Junior Counselor. Counselors are usually hired for the standard camp length of nine weeks with clinics and orientation as prerequisites for most first year counselors.

LOCATION, SIZE & SESSIONS

We are not your usual camp with lots of short one to two week sessions. We have two regular sessions, one three and a half weeks and one five weeks. It gives enough time to really get to know the kids and to build rich friendships as well as time for teaching quality activities. It is so good to have time!

Kahdalea & Chosatonga lie in the heart of the Blue Ridge Mountains of Western North Carolina, a region that's awesome for summer life outdoors. The camps occupy separate facilities about one mile apart. Kahdalea's capacity is about 160 and Chosatonga's is about 80.

Each camp has its own lakes, clear bubbling streams, springs, hiking trails, at an elevation of 3000 feet. The camps are bordered on Pisgah National Forest—unlimited acres of beautiful mountain woodlands. Cool and near zero mosquitos!

LEAVES AND SALARY

Unlike some camps, we are not a volunteer camp (we won't turn you down if you want to volunteer). All meals, lodging, laundry and workers compensation insurance are provided. Remuneration starts at \$1100 and up, depending on age and experience. Staff usually gets a full 24 hour day off weekly and 3 (Count them - 3!) days off between regular sessions.

We now have an easy to remember web address! It's **TwoFunCamps.com** or **2FunCamps.com**
